### RURAL HOUSING SERVICE

#### “Applicant Information Sheet” Single Family Housing

The Rural Housing Service (RHS) provides loans in rural areas to eligible low-and very low-income applicants. The loan may be to purchase and repair existing housing or to purchase a house as part of a self-help group. Rural areas include open country and places with population of 10,000 or less and, under certain conditions, towns and cities between 10,000 and 25, 000 populations.

The property must be placed in good repair with loan funds and must be energy efficient. Third-party inspections are required for electrical, heating, plumbing, water and wastewater disposal systems, if applicable, and termite inspections. These third-party inspections must be performed by a qualified inspector. The payments for costs associated with the inspections will be agreed upon between the buyer and the seller and should be discussed prior to signing a purchase agreement.

All who apply get equal consideration without regard to race, color, religion, sex, marital status, age, disability, or national origin.
